The Temporary Nurse Aide position is a rewarding, entry-level opportunity for anyone who is looking to make ends meet and wants to support our seniors during the coronavirus crisis

Complete the FREE online training at www.TempNurseAide.com, and find a job at one of the many nursing homes and other long term care settings looking for help at this critical time.

As a Temporary Nurse Aide, you'll assist with aspects of personal care such as bathing, grooming, and dressing. You will learn and practice:

- Infection Control and Prevention
- Positioning, Moving and Restorative Care
- Nutrition and Elimination
- Comfort Care & End of Life Care

ADDITIONAL REQUIREMENTS OF THIS COURSE FOR THE STATE OF KANSAS INCLUDES 2 HOURS OF SUPERVISED TRAINING BY A LICENSED NURSE AND COMPLETION OF THE SKILLED COMPETENCY CHECKLIST PROVIDED BY KDADS.
